### Glimpse of events organized by Innovation club and SSIP

Report: One Day Summer Induction Camp at Shri RR Lalan College, Bhuj.  
21/05/2022.

Recently the government of Gujarat has introduced the innovation program in several educational institutes under the commissionerate of higher education, government of Gujarat. The commissionerate of Higher education has been conducting several training programs to popularise Innovation and the innovative spirit amongst the students at large. As part of the same the commissionerate in collaboration with GUJCOST has distributed DIY kits i.e. "do it yourself kits" to the innovation clubs of government colleges, grant in aide colleges and gram vidyapeeths in every district of Gujarat. In Kutch district, the nodal agency for the successful implementation of the innovation program through the constitution of innovation club is Shri RR Lalan College, Bhuj. Honorable principal of the college Shri CS Zala is the Nodal Officer for the Kutch district for the innovation club program.

Hence on 21st may 2022 Shri RR Lalan College conducted a one day summer induction camp for students from different government colleges, grant in aide colleges and gram vidyapith of Kutch district. Also present during the camp were different faculty coordinators of the innovation clubs at these colleges. The inaugural session began with a thought provoking speech by Shri CS chala who highlighted the importance of innovation in the development of the district of Kutch and the development of the nation. Also present during the event were Dr Patel from Regional Science Centre, Shri Pravin Bhai maheshwari from community Science Centre Bhuj alongwith Shri Tushar Bhai hathi.. The trainer for the camp was Mr krunal Desai from Ahmedabad (STEMBOT).

The set of kits that were inaugurated during the camp included mechanical kit, electrical kit, agriculture kit, do it yourself kit, drone kit and virtual reality kit. Students thoroughly enjoyed the event because the camp not only included a theoretical induction but for the first time many students had the opportunity to use several specialized engineering equipments. After a practical demonstration of the kits the students themselves experimented with the use of different tools and an enriching discussion took place between the trainer and the attendees on different aspects of everyday use of science in our daily lives. The main motto of the innovation program as highlighted by Shri CS Zala is to create job givers in the society. In the coming days, innovation club shall serve as the centre for development of innovative spirit amongst the youth and society at large.
