Vaccine is the only important solution to prevent Covid-19 in the current situation. Currently, the government has started giving vaccinations to children aged 15 to 18 years. Under this, a program was also organized in the college in which members of NSS group leaders performed their duties. A total of 143 students were given the first dose of vaccine in this program. It is stated that the main objective of this program is that everyone should take the vaccine, believing that the vaccine is the only way to prevent corona. The program was very successful.

Activities

Thalassemia Awareness Programme

17/07/2019

Our flagship programme is thalassemia testing of the majority of students of the college. This disease is not harmful for a person if he is thalassemia minor. But when he marries with other thalassemia minor person and gets a child, there are 50% chances for the child to carry thalassemia major. Such children can not live long and become load for the parents and the society.

We organised an awareness programme in cooperation with the Rotary club wallcity, Bhuj. Dr. Abhinav Kotak with another two doctors came to college and explained regarding disease in detail. More than 150 students joined the seminar.

Swachchhata Survekshan Guidance

19.07.2019

Swachchhta Survekshan is the programme run by the central government. They direct municipalities to conduct this survekshan from the public. Under this survekshan all institutes are given directives for developing clean campus at their place. The RDC and CO in charge, Bhuj municipality Mr. Damor came to college and guided us through the project. Principal Dr. Zala remained present.

Thalassemia testing

24, 25, 26/07/2019

In accordance with the awareness programme of 17th july, the testing was completed on 24th, 25th and 26th july 2019 in cooperation with the Rotary club wallcity, Bhuj and the Redcross, Bhuj. Around 600 students were tested in this drive. Each was given proper certificate for either negative or positive. The positive students were given personal guidance for what he/she should keep in mind while getting married in the future.

Inauguration of Nashabandhi Saptah and rally

02/10/2019

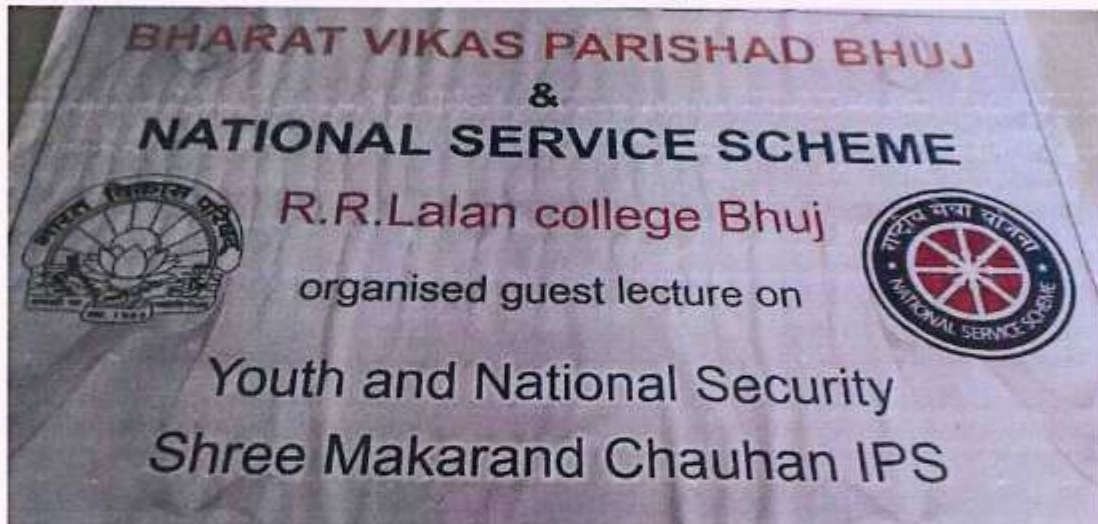

The inauguration programme of Nashabandhi saptah was organised at our college. NSS and NCC cadets were present. In spite of a holiday, around 60 cadets were present in the programme. The superintendent of prohibition and excise Mr. Suresh Raninga along with his team came to college and sensitized students against drugs. After the programme a start was given to a rally from lalan college to the Jubille ground. All the cadets joined the rally and dispersed from the last point.

A seminar on Youth and National security

13/01/2020

A seminar in cooperation with Bharat Vikas Parishad, was organised on the subject "Youth and National Security" in the college by NSS. The SP, Kachchh Mr. Makarand Chauhan(IPS) was the speaker. Kachchh is a border district of our country, so the national security becomes very important. Keeping in mind that students from border villages also come to our college for study, we organized this seminar. Around 100 students remained present in the seminar.

Activities

Yoga Day celebration

21/06/2018

Yoga Day 2018 was celebrated in the college garden. College faculties and NSS volunteers participated in the event. Around 18 NSS volunteers among 47 people did Yog for 40 minutes. The arrangements were done by NSS.

Road Safety Awareness Programme

27.08.2018

Road safety is very important for the college going youth. They run their bikes in dhoom style without having knowledge of road safety rules. They are not aware of the rules regarding wearing seat belts or helmets. The real time to make them aware is during college years because they get their license then. For this purpose we invited Mr. Vasava, the RTO, Bhuj. He gave detailed knowledge regarding common rules of driving through ppt. 39 NSS volunteers remained present in this seminar.

Awareness Programme on Ragging and youth crimes

12/01/2019

Ragging is a major issue in colleges of cities. In our college we don't face this type of anti social activity at a large scale, but sometimes we find some small cases of simple ragging with girls or rural students. So, in cooperation with anti ragging cell of the college, we arranged an awareness programme on ragging and laws against it. The city PI Mr. Rana was invited to college for this seminar. He described what is ragging, what its effects are and what are the legal actions that can be taken against ragers. He asked the students to strongly come forward against this crime and inform police regarding even a single case of this ragging. Around 55 to 60 students remained present.

Rally on voters' awareness

25/01/2019

For the coming elections of centre, the district administration organised an awareness rally for increasing voting under SWEEP programme. The students from colleges and school were asked to join the rally. We, around 40 NSS volunteers and the programme officer joined the rally and made people aware for the purpose.

New voters' Registration drive

25/01/2019

Our regular programme of the year is new voter registration in the college. In this year we ran this drive on 24 and 25 January, 2019. Total 87 students filed new forms in two days. 12 forms were filled for address change or name change.
