**The Sponsor**  
**Gujarat State Biotechnology Mission**

The success in "Transcripting Brighter Bio-Future" from the new tool-Biotechnology shall need world-class manpower and both the state and the central governments are working towards it. The Gujarat State Biotechnology Mission [GSBTM] formed under the aegis of Department of Science and Technology, Government of Gujarat; and operational with a few Sector Specialists headed by a Mission Director since April, 2004; is also taking some small but discrete steps towards development of an Institutional Network for Capacity Building Cells [N-BTCCs] in the field of Biotechnology. It is being envisaged that structured mentoring and provision of an institutional framework of Cells for Capacity Building shall help the budding biotechnologists to aim and lift high; at increasingly competitive examinations for professional careers in the field of Biotechnology.

**The Organizer**  
**Department of Microbiology,**  
**Tolani college of Arts and Science**

Tolani College of Arts and Science, a co-ed college of higher education is affiliated to the Krantiguru Shyamji Kriehna Verma Kachchh University (Bhuj) since 2004. Earlier, it was affiliated with Gujarat University, Ahmedabad. The College, which is under the direction of the Gandhiddham Collegiate Board (Tolani Vidya Mandir), is an institution that provides university education in a friendly atmosphere. The college got itself re-accredited by NAAC (National Accreditation and Assessment Council) in 2014-15 and got A Grade. Beginning in a small one-storey building on June 15th, 1962, with an enrolment of handful students, the college has at present over more than 2000 students housed in large buildings on the beautiful campus of "The Tolani Vidya Mandir", Adipur. The college has nine undergraduate and three postgraduate programmes. From time to time, we organize remedial courses along with the regular courses. An earnest attempt has been made for the first time by this college for which various UGC sponsored Career Oriented Programmes are being conducted. Department of Microbiology at Tolani College of Arts and Science is the only one department in KSKV Kachchh University. Our faculty and staff have a primary responsibility for the teaching of microbiology to undergraduate students. We also offer numerous advanced courses like Diploma in Biotechnology and food Science for undergraduate students. The Department of Microbiology contains more than 250 students at undergraduate level.

**About the Training**

The Crash courses are an intensive period of training with some of the best available resource persons delivering more than 60 formal lecture sessions, with ample informal sessions, psychological orientation sessions, and mock tests. Aspirants should be ready for an intensive period of learning. There are no fees for the crash course however, to ensure that the enrolled aspirants maintain an attendance of over 90%, a refundable deposit of Rs. 1,000/- for T.Y and 500/- for S.Y. from each aspirant has been decided.

**The Trainees**

Students in the final year of graduation of any of the Biotech or allied subjects (like Microbiology, Botany, Zoology, Marine science, Biochemistry, Genetics, Bioinformatics, Environmental Sciences/technology, Molecular Biology, Human Genetics, etc.) apply for training for the crash course. A limited number of outstanding cases of non-freshers may also be entertained. The student in the prescribed number with a good representation from all of the other colleges in the nearby area will be selected and trained.

Subject: Academic collaboration and educational support.

Respected sir,

Since more than 10 years, your department is extending active support to our department especially in the field tours to Kachhh area, in the dissertation work of our PG students, in the Ph.D. research fields and in individual faculty projects and research field works related to Kachhh region. We are also getting your best support in other academic areas too and for that we are thankful to you. We also appreciate your thought of academic collaboration in the interest of the students of both the departments.

We feel pleasure to announce our active support and collaboration to your esteemed department. The academic collaboration of two prominent departments of Geology subject in Gujarat state i.e. The Department of Geology, Shri R. R. Lalan College, Bhuj and the Geology Department, M. G. Science Institute, Ahmedabad will strengthen the bond and will enhance overall knowledge sharing among us.

I am sure, it will be in the benefit of the students of both the departments.

Thanking you
