Review Policy

Ojas e-journal is committed to maintaining the highest standards of academic rigor and integrity. To achieve this, we adhere to the following review policy:

1. Peer Review Process

All submitted manuscripts will undergo a blind peer review process. Authors and reviewers are anonymized to ensure impartial and unbiased feedback. Each submission will be reviewed by at least two independent experts in the relevant field.

2. Reviewer Selection

Reviewers are selected based on their expertise, research background, and experience. They are expected to provide constructive, clear, and respectful feedback to authors.

3. Review Criteria

Reviewers will assess manuscripts based on the following criteria:

- Originality and significance of the research
- Clarity and quality of writing
- Methodological rigor
- Relevance and contribution to the field
- Appropriateness of references and citations

4. Reviewer Responsibilities

Reviewers must:

- Complete the review within the agreed timeframe
- Declare any conflicts of interest
- Provide an objective and unbiased evaluation
- Offer constructive suggestions for improvement
- Maintain confidentiality throughout the process

5. Editor's Decision

Based on the reviewers' recommendations, the editor will make one of the following decisions:

- Accept
- Minor revisions
- Major revisions
- Reject

6. Confidentiality

All materials associated with the review process, including manuscripts and reviewer comments, must remain confidential and not be shared with others without permission.

7. Ethical Standards

Reviewers must adhere to ethical standards and report any issues of plagiarism, data falsification, or ethical misconduct during the review process.

By adhering to these principles, we aim to uphold the integrity and quality of research published in Ojas e-journal.

Plagiarism Policy

- We strictly follow UGC guidelines (2018) for plagiarism, and strongly encourage authors to adhere to the highest ethical standards in their research and writing. Plagiarism not only violates academic integrity but also undermines the credibility of scholarly work. Authors are expected to respect the intellectual property of others and contribute to the academic community responsibly.
- By submitting manuscripts to Ojas, authors acknowledge their understanding and acceptance of this plagiarism policy. We are committed to promoting a culture of originality and ethical research in accordance with UGC guidelines.
- Papers with plagiarism detection exceeding 10% will not be accepted.
